Our boutique luxury home delivering individual care for our residents

What a wonderful Christmas we shared at The Anchorage this year. The home has never felt so warm, joyful, and full of life. Throughout the festive season, the entertainment was spectacular, bringing together residents, families, our dedicated team, and members of the wider community to celebrate together.

A very special highlight was the visit from Father Christmas and his cheeky elves on Christmas Day. They took the time to give every resident a personalised gift, creating magical moments that will be cherished for a long time.

We would also like to say a heartfelt thank you for the very generous gifts and cards received. These thoughtful gestures mean so much to our team, who work incredibly hard all year round. Their dedication and kindness truly helped make this Christmas extra special for everyone.

The Anchorage Christmas Market

What an amazing turnout at our Christmas Market. Residents and their families enjoyed a wonderful in-house shopping experience with a variety of stalls to explore.

A huge thank you to Sassi Gifts Horsham and Crawley, Henrietta Rose, and Leonora Hanmer for bringing your fantastic stalls and festive cheer.

It's so special to give our residents, families and team the opportunity to browse and buy gifts in the comfort of their own home, all while supporting local businesses in our community.

A huge thank you to everyone who purchased raffle tickets last Sunday in support of The Anchorage Gardening Club.

We're so grateful for your support, our garden has never looked better at this time of year.

Our fantastic Demelza delivered high-class entertainment that was truly enjoyed by everyone. We then enjoyed some afternoon tea and cakes with family!
