

# The Anchorage Care Home Monthly Newsletter

Coombelands Lane, Pulborough, West Sussex RH20 1AG  
Our boutique luxury home delivering individual care for our residents

The Anchorage residents enjoyed a lovely trip in our minibus to Costa Coffee for tea and cake. Our care team always go above and beyond to help residents live life to the fullest, and staying connected with the local community makes these moments even more special.

We also had a wonderful visit to St Mary's School, where residents were invited to watch the children's Easter play. We received a warm welcome from Daisy, who leads our "Through the Eyes of a Child" programme, and Mrs Hatcher, the Deputy Head Teacher. With VIP seats and such a friendly atmosphere, it was a truly memorable experience for everyone.

# The Dementia Friendly Petersfield Tea Dance

A group of residents from The Anchorage enjoyed a wonderful afternoon at the Dementia Friendly Petersfield Tea Dance. The journey there was picturesque, filled with chatting and laughter, which made the outing even more special. Once we arrived, we were treated to a fantastic dance demonstration by the talented performers from Art V Motion, and some of our residents even joined in themselves. There was also plenty of tea and delicious cake, which everyone thoroughly enjoyed. A big thank you to everyone involved in organising such a joyful and welcoming event. Our residents had a fantastic time and are already looking forward to the next one.

## Through The Eyes of a Child

Our “Through the Eyes of a Child” group spent a lovely afternoon with residents, joining in with a quiz and helping with some tricky questions. We then made Easter decorations together, with great conversation and meaningful connections forming throughout. Priya shared her scrapbook, and we were delighted to welcome Freya to the group.
