West Chilmington Cuppa & Chat

Residents and the team had a wonderful time at the Cuppa & a Chat event at West Chilmington Village Hall. There was so much to do, from creating artwork to playing drafts and even a competitive game of table tennis to simply enjoying a cup of tea and making new friends.

It was lovely to meet new people and spend time with the fantastic teams from PDCCA, Age UK and Chanctonbury Leisure Centre.

We all came away feeling very lucky to be part of such a caring and supportive community. Thank you to everyone who made the morning so special.

Surprise Piano and Ballet performance!

Pam popped into the office after lunch for a cup of tea and biscuits and within minutes had us all smiling. She took us down memory lane with stories of her ballerina days, her dance exams, and her years playing the piano. She insisted she hadn't played in ages, so of course we took her straight to our piano... and she absolutely delivered!

The boys from the team even stopped to watch her chair ballet, and Pam cheekily told them they'd have to pay for a performance. The whole home was buzzing, what a joyful, funny, heart-warming afternoon at The Anchorage.

Sunshine - Music - Laughter and Community Spirit !

Children, music, sunshine and laughter... what a beautiful month! It's times like these that create wonderful memories and bring smiles to everyone's faces. It's been busy at The Anchorage lately, but we want to remind everyone that our door is always open.

Whether it's a cuppa, homemade cake, joining our activities, sharing lunch, or just a friendly chat, you're welcome anytime.
