Our boutique luxury home delivering individual care for our residents

West Chilmington Village Show

What an incredible community event to be part of. We had a fantastic spot right in the heart of the show for The Anchorage Care Home and our sister home Manor Barn, surrounded by a variety of wonderful stallholders. Our minibus was packed full of goodies, and our cool box filled with personalised water bottles was a huge hit. Many visitors were interested in exploring care options and we gave out our goodie bags to provide helpful information to support those important decisions. Our Anchorage unicorn danced with the Magic Moments sash during the band's performance yes, that really happened, and yes, we loved every minute of it!

Ice-creams and Little Explorers

We had a very cool visitor at The Anchorage... **T&M Ices** What a perfect treat for a sunny Sussex day! We were so proud to sponsor and be part of such a fantastic community gathering at The Little Explorers Family Fun Day. It's always a joy to support our local area, and we're already looking forward to welcoming the little ones to visit our residents soon! We have had some wonderful entertainment this month with the amazing Opera singer Demelza! Residents and relatives thoroughly enjoyed the experience. We also had the outstanding Latin guitarist; Christian Herrera and the wonderful Sandgate Singers. Lots more planned for next month.

Please join us for our up and coming events! The fabulous Treeanna will be here for a Sing-Along on the 14th August. We are very excited to be welcoming back the the very popular Bongo Russell on the 15th August and The Pebble Beach Band will be signing songs in the Top Lounge on the 21st August. Last but not least we'd love for you to join us for Live Music, Close Up Magic and Refreshments at our Annual Summer Party on the 6th September. All Welcome!
