Our boutique luxury home delivering individual care for our residents

Life at The Anchorage is full of special moments. With a beautiful, peaceful lake just steps away, our surroundings offer the perfect escape into nature. David recently enjoyed one of his daily walks with Sam, our new Care Manager - a lovely way to welcome her while sharing smiles, stories, and fresh air.

Through The Eyes of a Child

We were thrilled to welcome Daisy, the 11-year-old leader and champion of Premium Care Group's Through the Eyes of a Child program! Daisy visited our sister homes, spreading the joy of the project far and wide. She is now supporting the growth of the program and was recently honoured with the Saxon Weald Youth Award for Champions of Care in recognition of her outstanding contribution.

Daisy plays a key role in planning activities and guiding a group of children as they experience life in a care home from a child's perspective. Her dedication brings laughter, connection, and inspiration to our residents - a wonderful celebration of intergenerational relationships.

Little Birds Forest Nursey

Residents were delighted by a joyful visit from children at Little Birds Forest Nursery, whose laughter, curiosity, and kindness filled the home. Known for their cheerful presence, the children once again brought smiles to residents and staff alike, creating a lovely intergenerational experience.

This visit had an extra touch of imagination as the children took on the roles of doctors, nurses, and surgeons, using wooden medical instruments to carry out playful health checks with some very willing residents. The activities sparked laughter, conversation, and meaningful connections between generations, highlighting the positive impact such visits have on wellbeing and community spirit.

It was a truly memorable day, full of warmth, shared smiles, and special moments for everyone involved.

We were also delighted to welcome pupils from St Mary's C of E Primary School last week. Residents enjoyed a wonderful musical performance, followed by games and plenty of laughter.

More recently, residents, families, and friends gathered for a fantastic performance by Archie Mac. His singing was thoroughly enjoyed by all, and we're already looking forward to inviting him back again.
