Our boutique luxury home delivering individual care for our residents

## National Gardening Week

Since its first celebration in 2012, this annual National Gardening Week is the UK's biggest celebration of gardening and has blossomed into a nationwide celebration of all things green and growing.

To celebrate we took a trip to our local garden centre and picked out some gorgeous new plants for the garden. Thanks to the green-fingered efforts of our residents and gardeners, the front of the house has been beautifully transformed. The hanging baskets are already looking amazing - and soon they'll be bursting with colour! We also have a resident in competition with our Lifestyle Manager in their epic 'Tallest Sunflower' showdown! - Watch this space...

# VE Day, School Visit & Entertainment

We celebrated the 80<sup>th</sup> VE Day with a special lunch and gathered together to watch the ceremony, taking time to remember those who served us in World War II. We were lucky at The Anchorage to welcome the wonderful children of St Mary's C of E Primary School, Pulborough. There was lots of laughter as they played games with the residents, they particularly enjoyed the 'Can't Answer Yes or No' Game! We've had lots of great entertainers in this month and have lots booked in June, including our **Open Day on the 17<sup>th</sup> June 2025**.

Do come and join us!

Please join us for our up and coming events! We have the musical talents of Andy & Chris Beaumont, playing the piano, xylophone and glockenspiel on the 3<sup>rd</sup> June, the Fabulous Mary playing her flute on the 12<sup>th</sup> June, Target Games with Paul on the 17<sup>th</sup> June, on the 22<sup>nd</sup> June we have Michael playing the Piano and the amazing Alex Eberhard is back on the 26<sup>th</sup> June singing and playing guitar. It is also **Hydration Month** in June and we have a **competition** to create a piece of artwork reminding the residents how important it is to stay hydrated, so get creating, **exciting prizes to be won!**
