

The Anchorage Care Home Monthly Newsletter

Coombelands Lane, Pulborough, West Sussex RH20 1AG
Our boutique luxury home delivering individual care for our residents

The residents at Anchorage Care Home were in high spirits as they prepared for a Valentine's Day lunch, with dining room tables beautifully adorned with red roses. Once again, The Flower Shop - Pulborough delighted our residents with stunning flowers for the occasion, and the ladies thoroughly enjoyed the celebration. A big thank you for making the day so special!

Meanwhile, our gardeners, Lucas and Scott, have been hard at work on the first phase of the new Anchorage Rose Garden - and that's not all! Fruit trees have also been planted in the flower field, bringing even more life and color to the space. Every plant was purchased thanks to funds raised from our raffle, so a heartfelt thank you to everyone who supported it. Your generosity is already blooming, and we can't wait to share the continued growth of our gardens.

New Menu Tasting Event 14th February

We had a delightful Valentines Day at The Anchorage with Sam Oliver as the hostess! We celebrated with the tasting of our brand new spring menu, accompanied by melodies on the Piano by Mark Reeves. All residents and their relatives were invited to taste and comment on some of the samples on offer which has greatly helped us choose the new menu items that will be on offer to the residents from March. There will a sample menu being sent out to everyone in the coming week, but if you would like another copy, please just let us know.

Ooh La La! French Fun in Anchorage

we celebrated all things French! Our French-themed day was filled with delightful activities, and we capped it off with a delicious lunch inspired by classic French cuisine. It was a wonderful opportunity to enjoy good food, great company, and a touch of Parisian charm right here at home.
