

The Anchorage Care Home Monthly Newsletter

Coombelands Lane, Pulborough, West Sussex RH20 1AG

Our boutique luxury home delivering individual care for our residents

Bringing the outside in with AI Technology!

Our residents had some amazing experiences with a VR Headset and 'Lucy' the robocat! She provided our residents with a great sense of comfort and happiness. Robocats are equipped with AI technology and touch sensors designed to mimic a real pet. Due to the success of Lucy we now have our very own robodog 'Benji'

VR can support sensory, motor, and cognitive skills. Our residents were able to choose from a variety of visuals like The Australian Outback, Dolphins in the sea, The Northern Lights, Farm Animals and a Hand Gliding experience. The instant reactions from our residents were heartwarming and really quite emotional.

Phil is back by popular demand on the 13th March at 10.30am, come and have a go!

Garden Centre Trip and Musical Treats!

Charity "Lest we forget" Concert wowed the residents who dressed in patriotic red, white & blue. The pianist, violinist and singer gave their all, and the residents loved every second. We also had a sing-a-long one afternoon with Guitarist Alex Eberhard and his familiar songs. Some of the residents had a lovely trip out to Haskins Garden Centre, we are so lucky to have our own minibus, it's really important for residents to get a change of scenery.

Please join us for our up and coming events! Horsham Leisure Centre are visiting on the 11th March with some fun Target Games, the unusual but amazing Bongo Russell is back on the 21st March and new to the Anchorage, Matthew Quilliam will be entertaining us with his Ukulele and singing on the 29th March.
