Surprise visit from The Netherlands

We were delighted to welcome Annelin and Lynn from Calvijn College in the Netherlands, visiting to learn about village life and community. Their visit couldn't have been better timed, as our wonderful resident Cynthia celebrated her 102nd birthday. She shared stories of her life, including the war years and her time in Pulborough, making it a truly special moment for everyone. It was a joy to meet such thoughtful young people and share our pride in village life. A lovely surprise visit and a perfect day.
Happy 102nd Birthday, Cynthia!

A New Garden Adventure Begins

It was a pleasure to take residents to their first visit to West Chilton Nurseries. Manager Sam and resident Judy spent the morning exploring, gathering ideas, and finding inspiration for an exciting new project - with residents now taking the lead on garden planning. From lavender-lined displays to vibrant perennials, there was plenty to spark creativity and bring their ideas to life. And it clearly meant a lot - "Thank you for such a beautiful morning... I hope we will end up with a beautiful garden." - Judy

We can't wait to see how their garden vision grows.

The Little Hoof Company

Digby, the little Shetland from The Little Hoof Company, came to visit us - and what a wonderful afternoon it turned out to be. With the beautiful weather, we were able to spend time enjoying the gardens, as well as welcoming Digby inside to visit residents. There were so many smiles, gentle moments, and happy memories made. Thank you, Digby - we can't wait to see you again soon
