Our boutique luxury home delivering individual care for our residents

Making Memories on the Move

A simple invitation for a walk soon turned into a wonderful afternoon as more and more residents joined us, supported by our amazing carers and chef.

We chatted, laughed, spoke with passers-by and enjoyed every moment together.

This is what being a community at The Anchorage is all about.

David loves his daily walks, and with his supportive stick, steady shoes and bright safety vest, he can enjoy them safely and confidently. It's the little things that make every walk special.

The Pulborough Harvest Fair!

The Anchorage was delighted to be crowned winners of the Pulborough Scarecrow Competition!

Our residents helped create the scarecrow alongside the Lifestyle Team, sharing their ideas and creativity. The day was a wonderful celebration of teamwork, community and fun, with the winning hamper making the occasion even more special.

Joan celebrated her birthday surrounded by fellow residents and staff, with plenty of fun, laughter and games throughout the day.

There was a lovely atmosphere as everyone came together to mark Joan's special day, with birthday cake, refreshments and lots of happy conversations.

A wonderful celebration for Joan and everyone who shared it with her.

The month has also been filled with plenty of exercise classes, keeping everyone active, moving and having fun together.
