Sun, Smiles, and Community Anchorage Summer Garden Party 2025

We had a fantastic day welcoming our Anchorage family to the Summer Garden Party. With the sun shining and gardens in full bloom, the atmosphere was filled with laughter, music, and community spirit.

Guests enjoyed delicious finger sandwiches, homemade pastries, cakes, Pimm's, ice lollies, and plenty of tea. The live band had everyone tapping their feet, Mr. Magic Hat amazed with his tricks, and Daisy & Freya's kids' zone brought smiles to our youngest visitors.

A huge thanks to our team for making the day so special and to everyone who joined us. Feedback was glowing: "When's the next party?" and "We've made memories to cherish forever." This was truly a celebration of community.

A Morning of Music, Memories, and Joy

What a treat it was to experience the magnificent voice of Amy from Remembering The Musicals. She truly brought music into our hearts and home. Her Remembering the Musicals session was an hour of singing and storytelling that took us on a journey through musical theatre from the 1920s to today. It was a wonderful morning filled with joy, nostalgia, and plenty of smiles.

Residents Unite to Raise Awareness for Alzheimer's

Residents took to the gardens, walking side by side in support of Alzheimer's. The event brought the community together to raise awareness and show solidarity for this important cause.

A Warm Welcome

We're excited to have Lisa join our team as Administrator. She has lots of experience in the care sector and is looking forward to getting to know everyone. Pop by the front reception desk to say hello, she loves a friendly chat.

Coming Up...

We are pleased to announce that Little Birds Forest School Nursery will be visiting us twice a month, beginning shortly. Their first visit will serve as an introductory session, during which they will bring along a selection of puzzles, toys, and engaging items that the children can enjoy, share, and discuss. These sessions are designed for children aged 9 months to 4 years.
